## Operational Efficiency Solutions.

## HOW WE HELP!

We help companies with 5+ Million in revenue that needs to enhance productivity in a short timeline who may also experience staff retention & recruitment challenges to significantly Expedite Productivity.

### WHO SEES THE BEST RESULTS?

Our clientele range from a wide variety of industries such as AstraZeneca (Pharmaceuticals), Government offices (Treasury Board - ON), and countless examples in manufacturing such as a Custom Manufacturer which we helped triple their output in just six weeks...

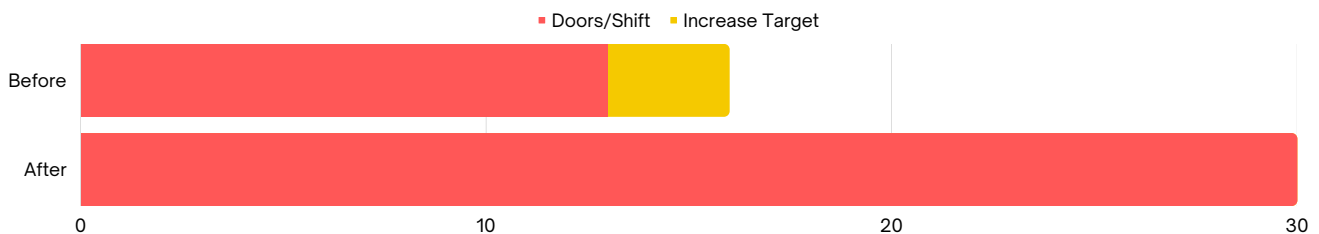

### HOW WE WORK

We perform a pro-bono 1-day audit to verify the untapped potential within your organization and further identify and then prioritize obstacles and leverage points throughout your operations to deliver tremendous improvements.

## ABOUT US!

Our mission at GVEX is to assist our clients in expediting productivity to excel on a global scale. GVEX started back in 2011, and Since then the GVEX team has expanded to a team of over 30 seasoned consultants and experts, resulting in over 450M+ Dollars in savings for 50+ clients in 12 years which have helped us bring our mission to fruition. We deliver results that lead to our guaranteed 3-10X ROI on all our engagements, and that is our compelling advantage.
